THE TROOP OF JOEYS

With more options than ever, the growing family of Joey receivers continues to add unrivaled flexibility in expanding the whole-home functionality of the award-winning Hopper receiver.

JOEY

The Joey that started it all! Through a standard coaxial connection, Joey provides all the great features and functions of the Hopper (excludes PIP functionality).

SUPER JOEY

The award-winning Super Joey can do everything a standard Joey does and more:

- Expands a single-Hopper system from three available tuners to five
- Gives you the power to record and manage up to eight channels at once¹

WIRELESS JOEY

The Wireless Joey has all the abilities of a Joey, but without the wires:

- Connects to the Hopper over a secure, dedicated wireless network and will not reduce bandwidth on home networks (no coaxial connection required)
- Watch movies and TV shows in any room, the garage, or even outside on the patio

4K JOEY

The 4K Joey can do everything a standard Joey does and more:

- The only Joey that can deliver 4K video, the highest picture quality in home television
- Has an ultra-slim design for space-saving convenience

¹ Record ABC, CBS, FOX and NBC and store for up to 8 days. At any time, record ABC, CBS, FOX and NBC plus two additional channels. With addition of Super Joey record ABC, CBS, FOX and NBC plus four additional channels. Feature must be enabled and is subject to availability. ² Recording hours vary; 2000 hours based on SD programming. ³ AutoHop feature is available at varying times, starting the day after airing, for select primetime shows on ABC, CBS, NBC and FOX recorded with PrimeTime Anytime. Feature must be enabled and is subject to availability.
